

Walnut Woods Home Owners Association

Specification: **Basketball Goal Standard**

1. Fixed goals must be able to be removed at the ground level.
2. Portable goals must be put away or stored when not being used for play.
3. The backboard must be transparent, either clear acrylic or tempered glass.
4. The pole must be steel or hard plastic and maintained to prevent rust or peeling paint.
5. The goal must always have a rim and net in good state of repair.
6. Goalrilla brand goals are an example of an acceptable fixed goal.
